We always try and match volunteers to the type of activity they'd most like to be involved with. Please indicate your preferences below. Training and support will be given in all areas (we don't expect you to be an expert!). However, anyone involved with diving will need to hold the appropriate qualifications/experience (see below).

Task/Activity	
Diving projects (as a diver)	
Diving projects (as non-diver support)	
Intertidal/terrestrial fieldwork	
IT / Technical skills – computer modelling / fixing equipment	
Photography (finds/site photography)	
Video (recording, editing, creating video-casts)	
Audio (recording, editing creating podcasts/audio-guides)	
Graphic design (designing/creating posters/leaflets)	
Outreach (public and in schools)	
Development of resources for schools/general public	
Media and Marketing	
Research (online / archives)	
Organising/collating/cataloguing	

What relevant interests / skills / qualifications / memberships would you bring to a role?
(NB Diver section below)

Do you have any specific support needs?
If yes, please specify below:

I am happy to appear in any photos/video and to be named in accompanying text in printed and electronic form (including social media)

The following section will only be relevant for divers:

Questions for divers

As part of the Maritime Archaeology Trust's Diving Code of Practice, it is the requirement that all volunteer divers:-

- Have a qualification of at least CMAS 2* or equivalent (BSAC Dive Leader & Sports Diver / PADI Rescue Diver)
- Have attended at least an NAS Part 1 training course or have an equivalent amount of experience. (www.nauticalarchaeologysociety.org). If this is a barrier to you please contact us to discuss.
- Have a minimum of 20 dives in a dry-suit in cold water conditions.
- Have your own diving kit.

Volunteer divers with this standard of qualifications/experience will be added to the MAT Volunteer Divers Database.

Please list your diving qualifications with date: (Most recent first)

Do you have a doctor's dive medical?

Date:

Please give a brief personal dive history: (most recent first, including where, dates, and comments e.g. depths, visibility, temp)
